

Hiring Experienced Lead Carpenter/Carpenters

Great Kitchens & Baths is an all-inclusive kitchen and bathroom design and remodeling company dedicated to simplifying the remodeling process for our clients and delivering dream spaces that exceed expectations and add value to their homes. Founded in 1961 and family owned and managed by Gary & John West, we are one of the most experienced and trusted kitchen and bathroom companies in east central Indiana. Our growing business is fueled by homeowners looking for the best design solutions for their homes and the meticulousness, thoughtfulness, and caring attitudes of our employees. We are looking for a Lead Carpenter and/or Carpenters that share the same attributes and have the heart, skill, and desire to make clients smile.

Qualifications:

- Looking for a “Pro” – someone that takes pride in delivering high quality workmanship **AND** has a friendly, personable and caring attitude.
- Prior experience in the residential construction field and advanced carpentry skills required. Must be proficient in kitchen cabinet installation and trim work.
- Must be self motivated and eager to take ownership of their job responsibilities.

Benefits:

- Full time position with highly competitive wages and advancement opportunities for well-qualified individuals
- Health Insurance, Vacation, and Holiday Pay
- The gratification that comes from seeing the response from clients and how their lives have been changed from the work YOU did on their home.

Apply in person or send cover letter and resume to:
